

RETIRED EDUCATORS COMMISSION

ATTENTION RETIRED EDUCATORS

At the 2009 NABSE Conference held in Indianapolis, Indiana, the Delegate Assembly voted to increase the Retired Educators membership dues to **\$50**. Please note that all new retired educators' membership applications and future renewals must reflect the new increase.

James A. Clarke Scholarship Fund

Members of the Retired Educators Commission are encouraged to contribute generously to support the **James A. Clarke Scholarship Fund**. Our commission established this scholarship in memory of a man who worked tirelessly throughout his life for African American children and for the benefit of NABSE. The scholarship is expanding to include the development of student program activities which will teach students how to apply for grants, entry into colleges and universities and writing resumes – to name a few. As a result of your generosity, the Commission would like to present a scholarship to a deserving student at the NABSE Annual Conference in New Orleans, LA, November 18, 2011 during the Founding Members Luncheon.

Funds for the scholarship will be deposited in the NABSE Foundation account earmarked for the James A. Clarke Scholarship Fund. Contributions may be forwarded to:
