

# NABSE Aspiring Superintendents Summer Institute

**ARAMARK**  
2300 Warrenville Rd.  
Downers Grove, IL  
June 22-24, 2014

The NABSE Organization is offering a dynamic, hands-on, and results oriented three-day training for "Aspiring Superintendents" June 22-24, 2014. A critical review of the research verifies there is a shortage of highly qualified educational leaders ready to become superintendents. As a result of ten consecutive years of offering a one day "Highly rated" workshop for "Aspiring Superintendents", NABSE has joined with a group of highly successful superintendents and other educational leaders to present a Summer Institute for "Aspiring Superintendents." The Aspiring Superintendents Institute is designed for current Administrators only.
